

Professional Series

GU24 Base Spiral Compact Fluorescent Lamps

for Heavy-Duty Commercial and Industrial Applications

Landlite spiral series compact fluorescent lamps are specifically designed for heavy-duty commercial and industrial applications, with industry-leading lumen performance and lamp life.

GU24 series spiral lamps are new configuration pin-based CFLs to meet North America's emerging energy efficient codes.

Distinctive Features:

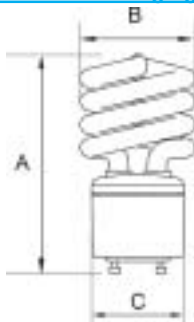

- New easy to use twist-and-lock pin base
- Shorter lamp MOLs further reduce lamp sizes
- 10,000 hours long rated life
- Compatible with California Title 24 codes
- Compatible with Energy Star Version 4.0
- Available Color Temperatures:
 - Warm White
 - Cool White
 - Daylight
